WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

Supreme and County Courts in Our said Province and to make certain other declarations in respect of certain instruments affecting land situate within the Province for the purposes hereinafter and in said Act set out:

And whereas it is expedient that provision should be made in pursuance of the said Act, as amended as aforesaid, for all such purposes:

Now, therefore, We have thought fit, by and with the advice of Our Executive Council of Our said Province, to issue this Our Proclamation, and We do hereby proclaim, direct, declare, and ordain as follows:—

1. In this Proclamation—

"Land" includes all real property, and every estate, right, title, and interest in land or real property, both legal and equitable, and of whatsoever nature and kind, and any contingent, executory, or future interest therein, and a possibility coupled with an interest in such land or real property, whether the object of the gift or limitation of such interest or possibility be ascertained or not, and also a right of entry, whether immediate or future, and whether vested or contingent, into and upon any land.

2. This Proclamation shall—

(a.) Authorize any Judge or any Court in the Province in which any action or proceeding was pending on the fourth day of August, 1914, or has since been or may hereafter be taken to secure or enforce any right, remedy, or obligation under any instrument, or in respect of the lands, moneys, covenants, stipulations, or agreements mentioned or contained therein, by order,—

(i.) To postpone the payment of any moneys relating wholly or in part to principal due or accruing due in pursuance of such instrument, and for such purpose to stay any such action or proceeding and the execution of any process already issued in such action, and any proceeding to enforce payment by sale, writ of execution, or other process of the Court in any such action, until after the lapse of a time named in such order; and in the discretion of such Judge to postpone in like manner and by the like means the payment of any moneys relating to interest or taxes due or accruing due in pursuance of such instrument;

(ii.) In case of any such action or proceeding upon an instrument charging land upon which any person liable for the payment of the money charged by the instrument, or any member of his family, lives, the whole or the major portion of which is occupied by the person living thereon as his *bona-fide* place of residence, to postpone, in like manner and by the like means set out in subclause (i), the payment of any moneys relating to interest due or accruing due in pursuance of the instrument;

(iii.) To fix the period to be allowed for redemption of land or any mortgage or charge thereon in any such action or proceeding; and in any such action or proceeding in which the time for redemption has been fixed, to extend the same until after the lapse of a time named in such order:

(b.) Authorize any Judge of the Supreme Court of British Columbia to order, in respect of any instrument, that no person shall, under or by virtue of any power of sale or other power contained in the instrument, or by any other extra-judicial process whatsoever, declare or take advantage of any forfeiture of any land or of any money paid or deposited in respect of the purchase of any land, or take or continue any proceedings for the sale of any land, or levy any distress, or take, resume, or enter into posses-

- (c.) Declare, in respect of all instruments, that no person shall, under or by virtue of any power of sale or other power contained in any instrument, or by any other extra-judicial process whatsoever, declare or take advantage of any forfeiture of any land or of any money paid or deposited in respect of the purchase of any land, or take or continue any proceedings for the sale of any land, until after notice in writing of the intention to declare or take advantage of such forfeiture or to take proceedings under such power or process has first been personally served for a period of one month on the mortgagor, encumbrancer, or vendee, and on all persons shown to have any interest in the lands by the records of the Land Registry Office of the land registration district in which the lands are situate, or if in any case personal service of such notice cannot be effected with the exercise of all due diligence, then by effecting such other service of the same as may be directed by any Judge of the Supreme Court:

- (d.) Authorize the Judge of any County Court within whose territorial jurisdiction no Judge of the Supreme Court resides to have and possess for the purpose of the said Act the same authority and powers in respect of actions or proceedings in the Supreme Court, and in respect of forfeitures, sales, and proceedings by virtue of any power of sale or other power contained in any instrument, or by any other extra-judicial process whatsoever, relating to land situate within such territorial jurisdiction, as any Judge of the Supreme Court is by this Proclamation authorized to exercise.

3. AGRICULTURE.

ORDER IN COUNCIL No. 365.
(Approved March 27th, 1917.)

RULES AND REGULATIONS UNDER THE PROVISIONS OF THE "DAIRIES REGULATION ACT," CHAPTER 16, 1916.

PUBLIC NOTICE is hereby given that, in accordance with clause 9 of the "Dairies Regulation Act," chapter 16, 1916, the following Rules and Regulations were approved by Order in Council No. 365 on March 27th, 1917, and are now in operation.

JOHN OLIVER,
Minister of Agriculture.

Department of Agriculture,
Victoria, B.C., August 27th, 1917.

GENERAL.

The milk or cream of each patron shall be accurately and correctly weighed, and such weights shall be accurately and correctly reported to the patron and to the creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) purchasing same.

For testing purposes, a sample representative of the contents of all cans in each consignment of milk or cream of each patron shall be taken. The milk or cream shall be mixed by pouring or stirring until such milk or cream is uniform and homogeneous in richness before the sample is taken. The proportion which a sample intended for a composite test bears to the weight of the milk or cream from which it is taken shall be reasonably maintained in the taking of all other samples entering into such composite test.

Samples of milk or cream taken for a composite test shall be kept in a cool place, in a separate, well-stoppered bottle labelled with the patron's name or number.

Composite samples shall be tested not less often than semi-monthly, and reports shall be personally delivered or mailed to the shipper by the Inspector immediately following the making of the test.

Samples shall be held for verification for seven days after test is made, except that in cases of dispute they shall be held until a Dairy Inspector of the Department of Agriculture of the Province of British Columbia shall have tested them.

It shall be unlawful to fraudulently manipulate the weights of milk or cream of any patron or supplier of milk or cream, or to take unfair samples thereof, or to fraudulently manipulate such samples.

It shall be unlawful to underread, overread, or otherwise fraudulently manipulate the Babcock or other test used for determining the percentage of fat in milk or cream, or to falsify the record thereof, or to read the test at any temperature except the correct temperature, which is 135° Fahr. (one hundred and thirty-five degrees Fahrenheit), or to pay on a basis of any measurement or weight except the true measurement or weight, which is seventeen and six-tenths (17.6) cubic centimetres for milk, and nine (9) or eighteen (18) grammes by actual weight for cream.

LICENCES FOR CREAMERIES OR DAIRIES.

Every creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) receiving, buying, and paying for milk or cream on the basis of the butter-fat contained therein shall be required to hold a licence. The licence shall be issued to such creamery or dairy by the Department of Agriculture of the Province of British Columbia upon the receipt of an application from such creamery or dairy filed or made by filling out such application form as may be provided by the Department of Agriculture of the Province of British Columbia, and upon the payment of a fee of one dollar (\$1).

The licence shall expire on the fifteenth day of January of each year, but may be revoked by the said Department of Agriculture of the Province of British Columbia if the licensee fails to comply with the provisions of this Act after a warning notice of seven (7) days has been given.

Each year, previous to the expiry of any existing licence, application for a renewal of licence

must be made, and at the same time such report as may be required by the Department of Agriculture of the Province of British Columbia shall be filed with the said Department.

Upon receipt of the licence, the same must be posted in plain sight in the testing-room of the creamery or dairy.

The sampling and testing of milk and cream must be performed in accordance with instructions set forth in Bulletin No. 45 of the Dairy and Cold Storage Series of the Dominion Department of Agriculture, Ottawa, Canada, entitled "The Testing of Milk, Cream, and Dairy By-products by Means of the Babcock Test," or by directions which may be issued by the Department of Agriculture of the Province of British Columbia.

LICENCES FOR TESTERS.

Every creamery or dairy (section 2, "Dairies Regulation Act," chapter 16, 1916) buying and paying for milk or cream on the basis of the butter-fat contained therein shall have in its employ one or more licensed testers, who shall supervise and be responsible for the taking of all samples, and shall operate the Babcock test of milk and cream.

The licence shall be issued to such person by the Department of Agriculture of the Province of British Columbia upon presentation by the applicant of proof of his competency, and upon payment of a licence fee of one dollar (\$1); provided that the ownership of the whole or any part interest in any dairy or creamery shall not operate as a bar to the receiving of a licence under this section or to prevent such holder acting as Inspector in connection with the operation of such dairy or creamery in which he has any interest as before mentioned. This licence shall be valid for the term of one (1) year, and may be renewed upon application, without re-examination. The licence shall be revoked by the Department of Agriculture of the Province of British Columbia if the licensee has failed to comply with the Rules and Regulations under which the licence was granted.

A candidate for a tester's licence must take and successfully pass a tester's licence examination. The announcements of such examinations will be issued by the Department of Agriculture of the Province of British Columbia, due notice being given of place and date of such examinations.

The Minister of Agriculture may appoint an Inspector at any place where in his opinion there is sufficient business to justify such appointment. The expenses connected therewith shall be paid by the interested parties in such portions as may be agreed upon, or, failing agreement, as ordered by the Lieutenant-Governor in Council.

The tester's licence must be posted in plain sight in the testing-room of the creamery or dairy in which the tester is employed.

It shall be the duty of a tester, upon leaving any place of employment, forthwith to notify the Department of Agriculture of the Province of British Columbia, Victoria, B.C.

It shall be the duty of a tester to report to the Department of Agriculture of the Province of British Columbia any cases of unclean milk or cream that may come under his observation.

Any tester as an employee of any person, firm, company, association, or corporation buying or paying for milk and cream on the basis of the amount of butter-fat contained therein, violating any of the provisions of the "Dairies Regulation Act," chapter 16, 1916, or Regulations passed by Order in Council by authority of this Act, shall, upon conviction thereof before a Justice of the Peace, incur a penalty of not less than twenty dollars (\$20) and not more than one hundred dollars (\$100). A third offence shall incur cancellation of the tester's licence.

Any person, firm, company, association, or corporation, by him or itself or through any employee or agent, knowingly violating the provisions of the "Dairies Regulation Act," chapter 16, 1916, or Rules and Regulations passed by Order in Council by authority of said Act, shall, upon conviction thereof before a Justice of the Peace, incur a penalty of not less than twenty dollars (\$20) and not more than one hundred dollars (\$100).

RECORDS OF WEIGHTS AND TESTS.

A record of all weights and tests of all patrons or suppliers of milk or cream shall be at all times open to inspection by patrons whom they concern and by the Provincial Dairy Inspectors.

Any patron or supplier of milk or cream who suspects fraudulent manipulation, on the part of the Inspector or of the person, firm, company, association, or corporation receiving as purchasers such milk or cream, of the weights or tests thereof shall have the privilege of applying to the Department of Agriculture of the Province of British Columbia for a verification test. Such application shall be accompanied by a fee of five dollars (\$5), recoverable with costs as against the offender if fraudulent manipulations be proved.

For the purpose of proceedings under the "Dairies Regulation Act," chapter 16, 1916, every offence against said Act shall be deemed to have been committed, and every cause of complaint under this Act shall be deemed to have arisen, either in the place in which the same actually was committed or arose, or in any place in which the person charged or complained against may be found. au30

DOMINION ORDERS IN COUNCIL.**AT THE GOVERNMENT HOUSE AT OTTAWA.**

Wednesday, the 1st day of August, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency the Governor-General in Council on the recommendation of the Minister of the Interior is pleased to order and it is hereby ordered as follows:—

The regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, the Railway Belt in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Dominion in the Peace River District in the Province of British Columbia, established by Order in Council of the 1st July, 1893, and subsequent Orders in Council, are hereby amended as follows:—

The words "to be located" in the fifth line of clause 1 are hereby eliminated, and the word "controlled" substituted.

The words "which shall include the cost of survey" are hereby inserted after the word "of" in the last line of clause 2.

Subclause "B" of clause 6 is hereby rescinded.

The following sentence is hereby added to clause 15: "When the boundary-line or lines of a licensed berth or any portion of such lines have not been fully surveyed or have become obliterated from any cause, the Minister may require the licensee, at his own expense, to survey any portion of

such lines as has not been heretofore surveyed, or to re-establish upon the ground any lines that have become so obliterated."

The following sub-clause is hereby inserted after subclause "A" of clause 17: "All merchantable timber of the class authorized to be cut under a licence shall be cut and taken from a berth as cutting progresses, and any timber of that class left uncut and unremoved after a date named in a notice served on the licensee, or his authorized agent, shall be estimated in feet board measure by a Dominion Timber Inspector, and shall be subject to payment to the Department, on demand, of ordinary royalty dues."

"In the event of timber upon a licensed berth, of the class authorized to be cut, becoming fire-killed or dead, in the judgment of the Timber Inspector, the Minister may require the licensee to cut and remove the same, and all such timber left uncut and unremoved from the berth after a date named in a notice served upon the licensee, or his authorized agent, shall be estimated in feet board measure by a Timber Inspector, and the licensee shall pay dues thereon as provided in the regulations according to such estimate."

The words "when sold for purposes of fuel" are hereby inserted after the word "slabs" in the third to the last line of subclause "G" of clause 17.

Subclause "H" of clause 17 is hereby rescinded.

Clause 20 is hereby amended so as to provide that the dues on railway ties 8 feet long, when hewn, shall be 2½ cents each, and when sawn shall be 2 cents each; and the words "when sold for purposes of fuel" are hereby inserted after the word "slabs" where it appears in this clause.

The words "or permit" are hereby inserted after the word "license" in the first line of clause 23.

The words "for fuel purposes" are hereby inserted after the word "slabs" in the third to the last line of clause 26.

Clause 27 is hereby rescinded and the following clause substituted: "Licensees are required to keep a bush count of all saw-logs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said Agent, duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

"(a.) All saw-logs and other timber cut upon a licensed or permit berth, or upon unpatented homestead lands within the Railway Belt of the Province of British Columbia, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk or pencil, at time of scaling.

"Numbering will be necessary even when logs will be sawn immediately or before being placed in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale-book, cull logs being identified by the addition of the letter "C."

"Where operations are carried on to such an extent as to require the use of more than one scale-book, the books are to be numbered serially with letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for inspection by the Crown Timber Agent or other officer of the Crown.

"No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

"(b.) The requirements in the next preceding subclause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the Town of Yale.

"All timber cut within said tract, which is subject to Crown dues, shall be scaled by a Dominion Timber Scaler holding a scaler's licence from the British Columbia Government, and in accordance with standard methods.

"(c.) The following fees, to which shall be added reasonable expenses, shall be paid for the scaler's services by the licensee or permittee conducting operations:—

For scaling saw-logs and
spars5c. per M. ft. B.M.
For measuring piles and
poles5c. for ea. 200 lin. ft.
For measuring railway-ties,
pulpwood, shingle-bolts, or
cordwood5c. for ea. cord of 126
cubic ft.

"When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done or upon the berth from which the timber was taken.

"In the event of a licensee, permittee, or purchaser disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a rescale of the timber will be made by another Dominion Scaler, and in such case the person requiring his services must pay such additional expense or cost as may be occasioned thereby:

"Provided that if the original scale made be proved inaccurate to an extent of three per cent. on the total scale, a second charge for the work shall not be made.

"(d.) The scaling officer shall deliver copy of any scale made by him to the owner of the timber scaled, upon demand, and upon payment of his fees and expenses:

"(c.)
